The City Manager is directed to adhere to the requirements set forth in Resolution No. 20210325-037 related to the start of APD Academy 145th cadet class and the completion of the academy evaluator's report, including the recommendations of the Academy Curriculum Review Committee. The resolution states, "The City Manager may only commence the 145th Cadet Class after recommendations from the evaluation/review of the 144th Pilot Cadet Class have been incorporated and substantial progress of the Kroll Report's long-term recommendations has been made." Following the completion of the 144th class evaluation and report, APD is directed to return to Council with a progress report detailing the status of recommendation implementation. Council is appropriating funds for two cadet classes; APD must request authorization for the commencement of the 145th Cadet Class and any subsequent cadet classes in FY22. Recruiting for the 145th Class must follow the relevant recommendations coming from the process set forth in Resolution No. 20191205-066.
